Pagina 1 van 4

## 1. Legal framework

This product is personal protective equipment (PPE) and complies with the following European regulations:

- Regulation (EU) 2016/425
- Harmonized standard: EN 14404-2:2024

PPE category: Category II

## 2. Manufacturer Bullram

Haverkamp 11

6051 AC Maasbracht Netherlands

## 3. Product identification

- Product: Knee pads
- Model: KP012G
- Type: Type 1
- Protection level: Level 1
- Size: One size (suitable for most users)

## 4. Intended use

- These knee pads are designed for:
- Work on flat, hard surfaces
- Protection of the knees against light pressure and impact
- Application in general construction, assembly, and installation work

## 5. Restrictions on use

This product is not suitable for:

- Pointed or sharp surfaces (such as stones, gravel, mines)
- Heavy industrial applications with high impact loads
- Use outdoor knee protection
- Use the product only for its intended purpose.

## 6. Instructions for use

- Check the product before each use
- Place the knee pads correctly on the knees
- Ensure a good and secure attachment
- Ensure that the protectors do not shift during use.
- Do not use the product if it is damaged

## 7. Inspection before use

Check the product for:

- Cracks or damage
- Worn or loose fastenings
- Reduced shock absorption

If in doubt: do not use and replace

## 8. Warnings

- Use only according to this manual.
- Improper use can lead to injury
- This product offers no protection against extreme risks.
- Check the product before each use
- Replace the product in a timely manner

## 9. Cleaning and maintenance

Not allowed:

- Do not wash

- Clean with a slightly damp cloth
- Let air dry
- Do not use harsh cleaning agents

## 10. Notice

- Store in a dry and well-ventilated place
- Avoid direct sunlight
- Avoid extreme temperatures and humidity

## 11. Lifespan

- Maximum lifespan: 1 year
- Replace the product sooner if:
  - visible wear
  - damage
  - reduced function

## 12. Explanation of protection level

- Type 1: Wearable knee pads attached to the body
- Level 1: Protection against light mechanical stress and impact

## 13. Conformity assessment

The conformity assessment was carried out by:  
ANCCP Certification Agency Srl (0302)

## 14. EU Declaration of Conformity

The EU Declaration of Conformity is available at the point of sale and is provided upon request.

## 15. **Warranty**

### **Warranty Terms and Conditions**

1. This warranty shall enter into force on the date stated on the original purchase invoice and shall remain valid for a period of twelve (12) months.
2. This warranty is non-transferable unless prior written consent has been obtained from the supplier.
3. Warranty claims will not be accepted without presentation of the original purchase invoice.
4. This warranty shall apply exclusively provided that the product has been used in full compliance with the instructions contained in the user manual and solely for its intended purpose.
5. No alterations, modifications, or technical changes may be made to the product.
6. This warranty shall be void in the event of improper, negligent, or incorrect use of the product.
7. Transportation, shipping, and related costs are expressly excluded from this warranty.
8. Any repair work must be carried out exclusively by the supplier or an authorised service partner. Repairs performed by unauthorised third parties shall immediately void all warranty rights.
9. Repairs performed during the warranty period shall not result in an extension of the original warranty period. However, a separate warranty period of three (3) months shall apply to the repaired components, provided that the original warranty period has expired.
10. All maintenance and servicing operations described in the user manual must be performed in a timely and proper manner. Failure to do so may result in the warranty becoming void.
11. Warranty claims may only be submitted to the original point of sale at which the product was purchased.
